

## **Morgan Lavender, B.S.**

### Administrative Manager

Morgan is our Administrative Manager here at Mylestones, Army wife, and sports mama. She graduated with a Bachelor of Science in Justice Studies from San Jose State University, and is a proud small business owner. Her latest business, A Love for Lavish LLC, was inspired by her beautiful children and their ever growing imagination. Although she specializes in luxury picnics, unique backdrops, and balloon services, she has the most fun creating children's activity stations; providing kids with more interactive and free expression fun, compared to your typical party entertainment. This is why Mylestones has a special place in her heart and why she resonated so closely with its goals. There's such a joy in witnessing a child's creative process, as well as helping them reach their full potential and the happiness from simply letting kids be kids. Morgan is honored to be just a small part of the difference made in a child's life here at Mylestones, and in our local communities.
