

Kayla Jones, M.A

Clinical Supervisor

Kayla Jones grew up in a household filled with love for ABA! Her mother pursued a college degree with an emphasis of ABA, and her brother, who was diagnosed with Asperger Syndrome, received ABA services during their youth. Due to this, Kayla wanted to continue the family legend in providing quality behavioral services. In 2018, Kayla began Working in the field of ABA as a RBT. She then pursued her masters and earned her degree in 2022. Currently, as a clinical supervisor, Kayla's focus has been to continue to provide quality services to those she serves, as well as becoming a future BCBA.
