

Andrew Cuevas

Associate Clinical Social Work (ASCW)

Andrew is a Licensed Clinical social worker specializing in pediatric care, developmental disorders and mental health disorders. This includes early intervention as well as behavioral management and modification. With an extensive background in behavioral therapy he has worked with various children and adults across various disabilities for years. He has also served as a trainer and instructor educating other providers on the latest trends in the field and has worked in a variety of settings including a center, in-home, Hospital and even a correctional setting. Andrew excels at facilitating a multidisciplinary approach to provide optimal treatment and a holistic integration to provide the best outcome for his clients. In his free time he enjoys reading, playing piano and attending concerts.
